Hedges Inn - Can't miss this picture-perfect inn facing you as you arrive in East Hampton. This is boutique beach hotel at it's simplest best. Adorable Inn keepers (Carol being our favorite) with small but comfortable rooms that are quiet. Beach passes, chairs, towels and umbrellas provided - 15 min walk or 2 min drive to East Hampton Main Beach. Great EH base; 10 min walk to the gorgeous town packed with boutiques, restaurants and a movie theater. Breakfast is served in the dining room spilling out to their shaded terrace which is just lovely. No pool. <http://www.thehedgesinn.com>
